## HOW TO APPLY FOR CLIMBING COURSES FOR ADULTS

The screenshot displays the Studionaut user interface. At the top, the 'plus climbing' logo is on the left and the 'STUDIONAUT' logo is on the right. Below the logos, the 'Selected studio' dropdown menu is set to 'PC PLUS D.O.O', which is circled in red. To its right, the 'Venue' is set to 'No venue selected'. The main content area is titled 'Calendar' and shows a weekly view for the week of October 3rd to 6th. The 'Calendar' tab in the left sidebar is also circled in red. The course listings for Monday, 3.10., and Thursday, 6.10., are visible. Each listing includes the time (19:00 - 21:00), the course name 'Odrasli nad. 2 / Adults Adv. 2', the instructor's name, and the number of available spots (AVL.: 8). A 'Book' button is present at the bottom of each listing, with the 'Book' button for the Thursday course circled in red. Information icons (i) are circled in red next to the course listings. The left sidebar contains navigation options under 'ORGANIZATION' (Calendar, My Calendar, Files) and 'FINANCE' (Pricelist, My credits, My billings), as well as 'Settings', 'Change theme', and 'Select language'.

After signing in, your profile in Studionaut will open.  
Be careful that the right studio opens for you - PC Plus d.o.o.

The Calendar tab shows options for the current week.

By clicking on *i* you can see the description of the course.

Sign up for the course by clicking the BOOK button.

You can choose between the packages:

**Vadba ODRASLI / ADULTS: 4 visits / 1 month** (1/week for the period of 1 month)

**Vadba ODRASLI / ADULTS: 8 visits / 1 month** (2/week for the period of 1 month)

**Vadba ŠTUDENTI / STUDENTS: 4 visits / 1 month** (1/week for the period of 1 month)

**Vadba ŠTUDENTI / STUDENTS: 8 visits / 1 month** (2/week for the period of 1 month)

**Vadba ODRASLI / ADULTS - Mina Markovič: 4 visits / 1 month** (1/week for the period of 1 month)\*\*\*

**Vadba ŠTUDENTI / STUDENTS - Mina Markovič: 4 visits / 1 month** (1/week for the period of 1 month)\*\*\*

Each package is valid for **40 days**

(and not 30, due to cases when the courses cannot be carried out due to Slovenian school or national holidays and that the leased package does not expire during this time).

**The leased package is therefore valid for 4x or 8x visits (credits) for a period of 1 month (or 40 days)!**

**So you have to buy a new package every month!**

\*\*\* **More about Mina Markovič:** [ITA](#) / [ENG](#)

For now, it is only possible to practice once a week with her.

### ANOTHER WAY OF APPLYING FOR CLIMBING COURSES:

Alternatively, you can first purchase the desired package in the PRICELIST (and select the initial validity date) and then select dates in the CALENDAR.

### ATTENTION!

You can sign up for a climbing course **UP TO 1 HOUR before the start of the course.**

**If you do not manage to spend all the leased credits within 40 days, you will LOSE them!**
